2nd January 2021

Dear Residents, Relatives and Friends,

After today's announcement of an additional 10 local confirmed cases in Victoria and links to exposure sites located nearby, Fairway will be closed to all visitors with immediate effect, until **Tuesday 5th January 2021 (inclusive)**. This was a difficult decision to make given we recently eased restriction however as we await more information about the outcome of current contact tracing investigation in Victoria, we believe this step is necessary to reduce the risk of transmission into Fairway.

Please visit the DHHS website <https://www.dhhs.vic.gov.au/case-locations-and-outbreaks> for regular update on case locations and exposure sites in Victoria. If you have visited any of the locations listed as public exposure sites during the date and time indicated, you must get tested immediately and quarantine for 14 days from the exposure.

We are working with staff to ensure we limit the risk of transmission into Fairway by enhancing measures including strict screening and testing of staff, providing daily list of exposure sites, and wearing surgical face masks and eye protection at all times.

We ask you to please share this information with your immediate and extended family.

Thank you for your patience and support.

If you have any questions or concerns about the current visitation restriction, please contact Sylvia or myself.

Regards

Kyan Ho
