Dear Family & Friends of Residents,

As you may be aware Premier Daniel Andrews has announced Stage 3 restrictions to be implemented in two additional postcodes over the past weekend. These postcodes are:

- 3031 – Flemington and Kensington and
- 3051 – Hotham Hill and North Melbourne

Please note that if you or anyone you have had contact with lives in these areas you are NOT to attend Fairway Aged Care for any reason until after these restrictions have been eased.

Due to the current COVID-19 situation Fairway Aged Care will be closed to visitors on Sundays. Visiting hours will be Monday to Friday 2pm – 4pm only. Visitors under the age of 16 and those who do not have proof of current Flu Vaccination will not be able to visit. All visits must take place in the resident's room or the outdoor courtyard; visitors must go directly to either the resident's room or courtyard. Staff will bring residents to their rooms or the courtyard if they are not already there. Visitors are NOT to enter communal areas under any circumstances.

Should you have any questions please contact either Kyan Ho or Allison Kranitz.

We sincerely thank you for your patience and understanding during this challenging time.

Kind Regards,

Kyan Ho
Chief Executive Officer

Allison Kranitz
Director of Nursing
